

# Auction & Export Service Flow

Dear All Customer,

Thank you for visiting our website.

This time, we would like to explain the details of our Auction and Export Service for Subic port.

## ★Our Strengths of Auction & Export Service

### 1. Space of 40 Packages Every Month

We have been cooperating with shipping company and arranging conventional vessels from Mizushima port to Subic port regularly since 2012. We arrange this conventional vessel about one shipment a month, securing space of 40 packages each time.

### 2. Reasonable Freight

We are able to provide reasonable freight to you by arranging shipment regularly. In addition, we can make 2 units to one package to reduce your burden of the freight.

### 3. Detailed Payment

We will explain the details of the payment before you start using our service. You could use our service without any concerns even if you have little experience in exporting.

### 4. One-stop Service

We provide a one-stop service from auction to export, which means we will handle everything from vehicle inspection, transportation, customs clearance, cargo loading, etc. We have more than 40 years of export experience, and our skilled staffs will handle the work of making packages, arranging shipment, making customs documents, etc. All you need to do is just waiting for your desired vehicle!
